

Request For Proposals

WE WANT TO HEAR FROM YOU!

Way-finding, Interpretive and Exhibit RFP Process

This Request for Proposals (“RFP”) is an invitation by Swan Lake Christmas Hill Nature Sanctuary Society (The SOCIETY) to prospective proponents to submit proposals for the provision of services, as further described in RFP 2019-1 and RFP 2019-2.

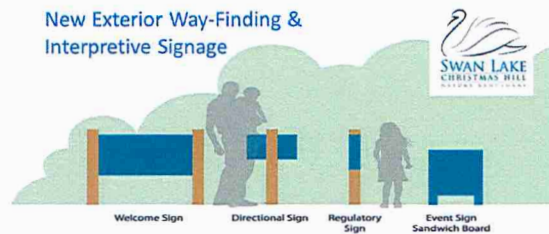

Swan Lake Christmas Hill Nature Sanctuary is a wild oasis in the heart of the urban landscape and includes two distinct ecosystems: the beautiful marshland of Swan Lake and the rocky, oak-forested highlands of Christmas Hill. Both are home to an incredible array of native plants and wild animals.

Managed by a non-profit society, this urban refuge provides an exceptional opportunity to bring people and nature together. The Sanctuary is a living classroom fostering an understanding and appreciation of nature through direct experiences. Fast approaching its 45th anniversary in 2020, the Society continues to be regarded as a principal centre for nature education and protection in the heart of the city. Educational programs for all ages encourage responsibility for the care and protection of the natural environment.

For the purposes of this procurement process, “The SOCIETY Contact” shall be: [Kathleen Burton](#), Executive Director.
