

The Water For People Canada, BC Committee would like to invite you to join us for our annual golf fundraiser on August 12th at the Surrey Golf Course.

All funds raised at the 15th Annual Charity Golf Tournament will go towards supporting Water For People's mission to create a world where everyone has access to reliable and safe drinking water. In addition to networking with other partners and friends of Water for People-Canada and playing a spectacular round of golf, you will be making a contribution to the life-changing and the life-saving work we do around the world.

2020 was a challenging year for everyone. We are looking forward to hosting the 2021 Water For People Golf Tournament and bringing everyone together in a safe manner. We are still uncertain what the tournament will be able to look like, but, we are optimistic that we will be able to proceed forward on the greens! Please reach out if you have any questions or concerns regarding COVID-19 policy.
